# NOCK LEGACY

In 1964, The Nerveless Nocks (Bello's Parents) appeared on "The Ed Sullivan Show" alongside The Beatles. Their circus and entertainment roots date back to the early 1700s and were legally established as Switzerland's first circus in the year of 1840, legally acknowledged by the Swiss government. The Nock family has produced the finest live circus and thrill shows for over 9 generations.
