PRESENTED TO BAYOU PHOENIX

**To do what has to be done,
is not a one man job!**

**We're not working to fill the
shoes of a Legend....that we
could never do. We're
working to keep his shoes
Polished!**

**It's going to take a team to keep
Hank's Legend alive, but maybe
that's the Legacy Henry left us,
to work together as a team makes
a team hard to beat, and we've got
a pretty good team working here.**

**Tim Bennett –
Hank Aaron Sports Academy
Legacy League Baseball**

To carry the weight of the legend is not a burden, it's a privilege and a welcomed responsibility. It takes vision, it takes tenacity, it takes courage and above all else it takes commitment.

We're working together to make sure we continue to have the same broad shoulders that Henry had to carry this message of "together" to the next generation. –

**Marquis Grissom
Atlanta Braves – 1995 World Series
2x All-Star / 4x Gold-Glove
ALCS MVP 1997**

Baseball is not everything,

Baseball is not the only thing,

Baseball is something.

**But we know that every kid needs
direction and our mission is to
leave no one behind regardless of
Talent**

Race

Gender

Religion

Nationality

Economics

**These are the steps we'll take to
build the next generation.**

While baseball teaches life's lessons of Teamwork, Sportsmanship and Treating the other team as you would want to be treated. Above all else, the game is best when we all Have Fun!

This is still the only sport known to never let us grow up, it keeps us young...sometimes for better or for worse, ask any baseball wife! 😊

44

While the number of African-American participation has waned on the field, the numbers are just as concerning when it comes to officials.

44

We'll keep running for the prize!

44

No matter what it takes!

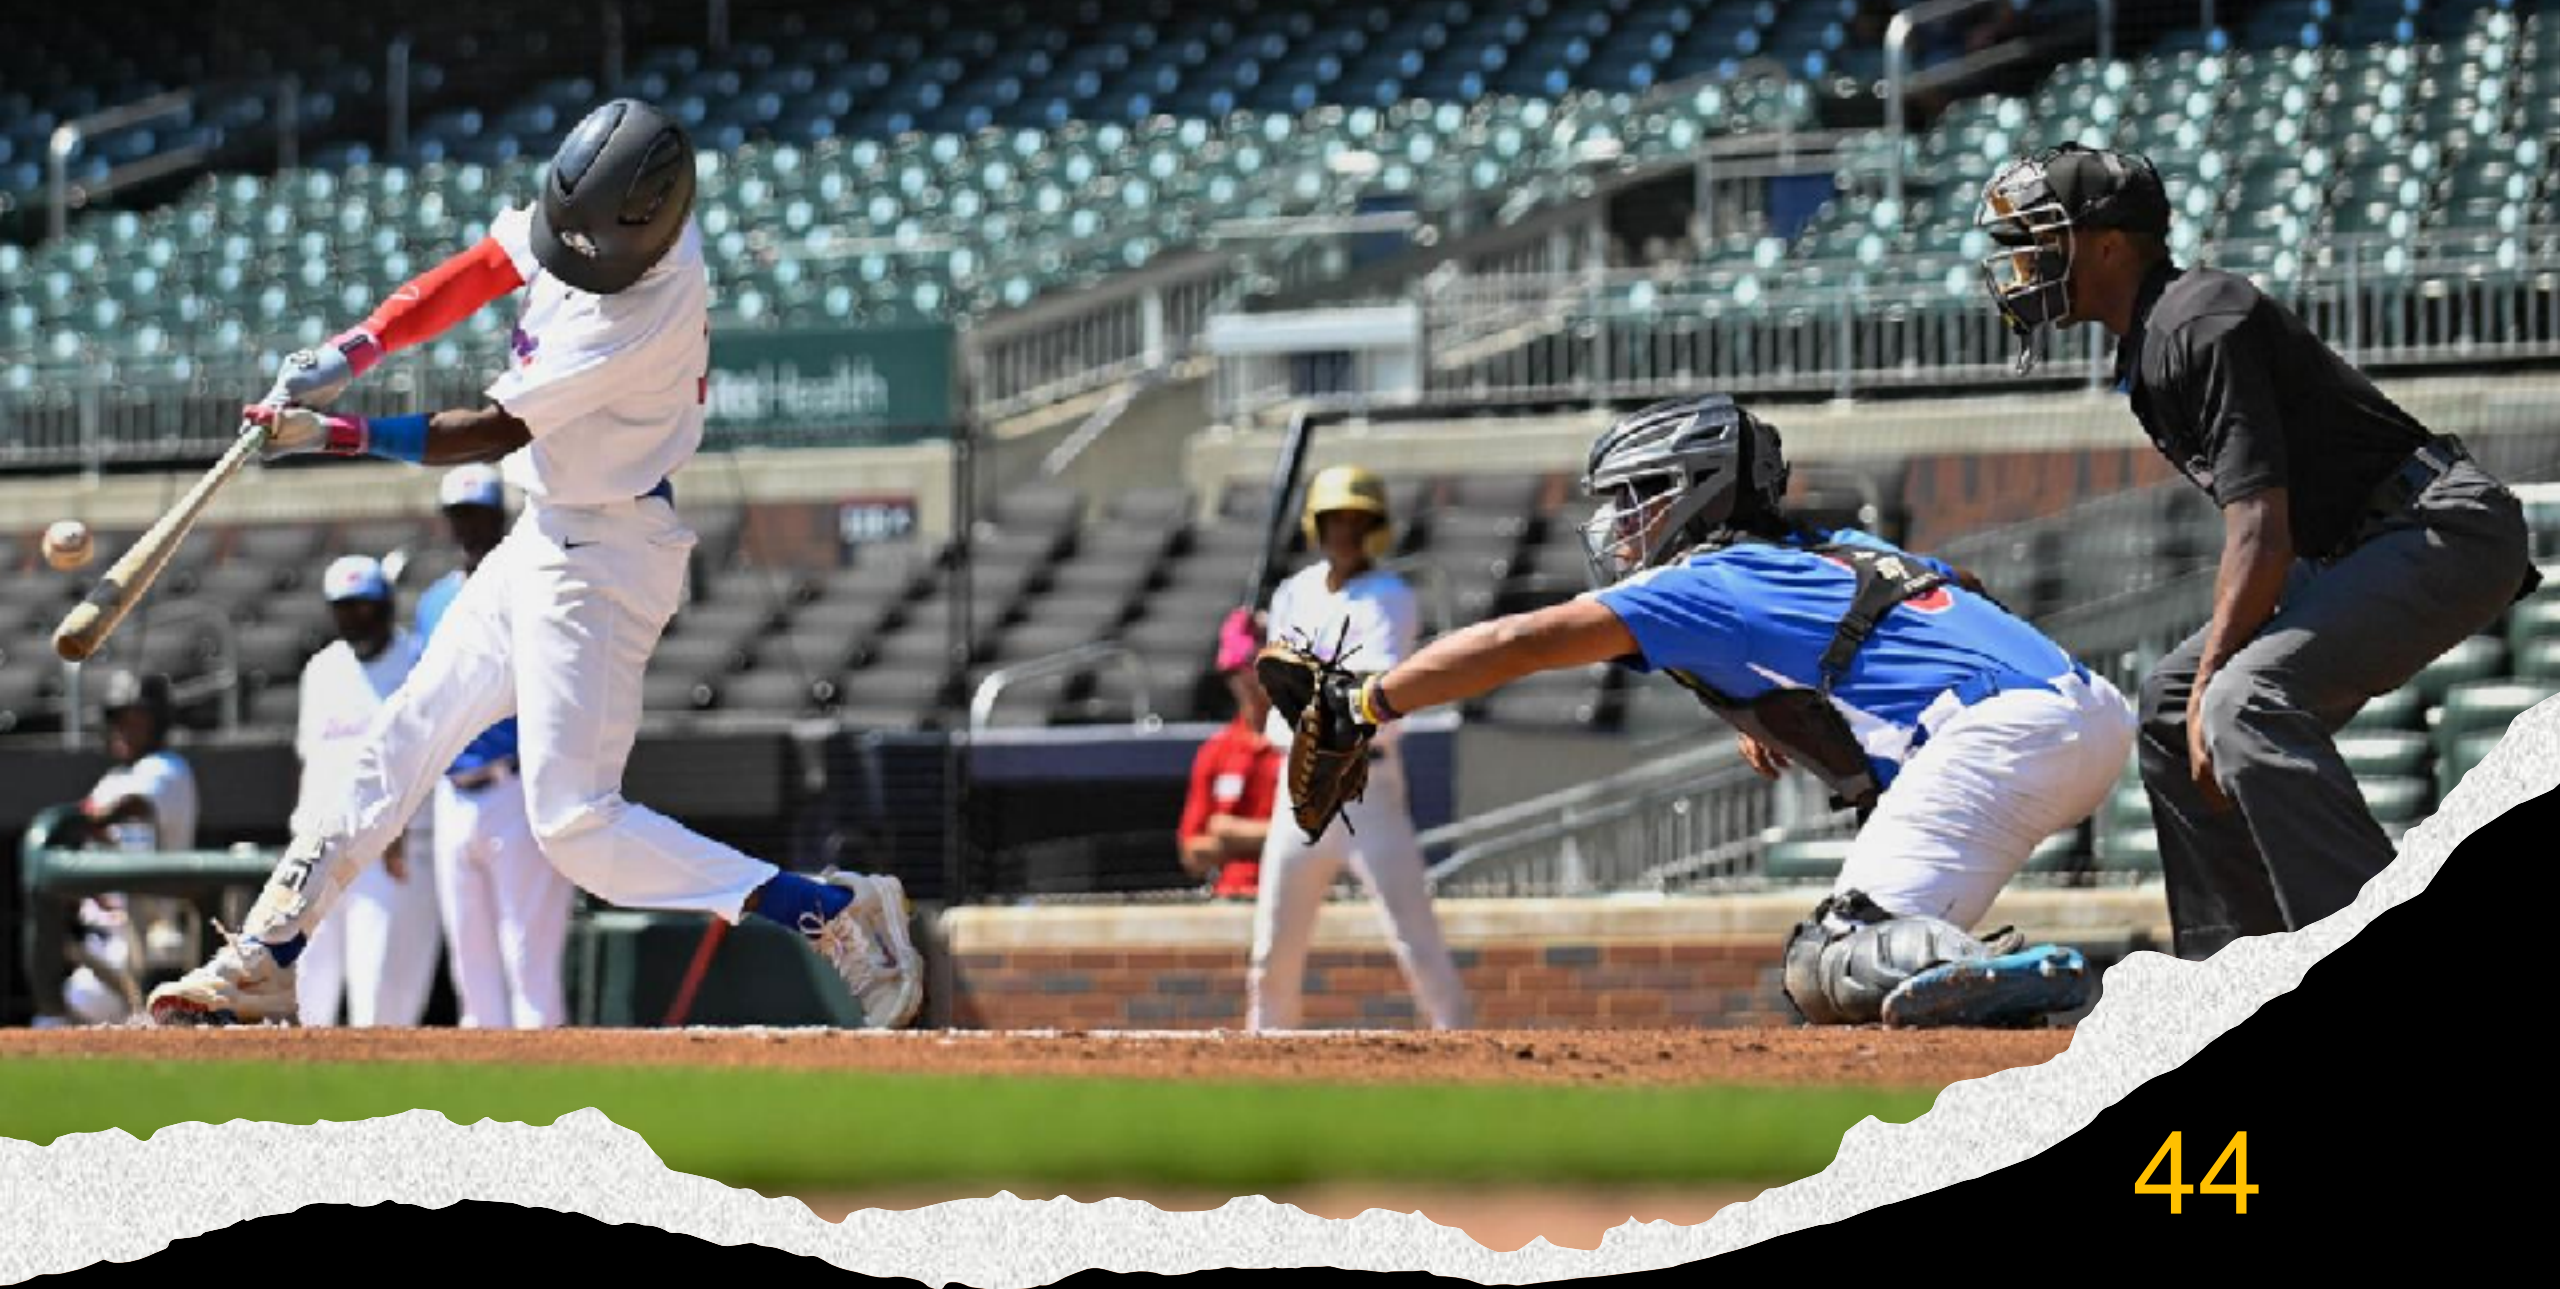

44

We'll swing for the fences with
all we've got!

44

44

And with a little persistence, grit, hard work and keeping our head down on the job... We'll hit a home-run!

Staying locked in and focused
on the job at hand...

44

Stretching out and giving it
everything we've got – to deliver
the right pitch for the task at hand...

44

Working together as a team,
upbuilding, encouraging but
remembering to always keep the
to keep the game fun....

44

Sometime requires that we get
a little dirty.....

44

Sometimes means going at it
alone as is often the case when
doing the right thing.....

44

But we teach that when you do it
the right way, the close calls in
baseball usually will go your way!

44

44

The Hank Aaron Legacy will be built on mentors teaching the youth to play the game and life the right way!

44

The Hank Aaron Legacy will teach that as long as we have each other's back.....

**The Hank Aaron Legacy Team
will teach that as long as we
all play together....We all Win.**

**No matter the color of the
team!**
