PRESENTED TO BAYOU PHOENIX

While many youth organizations focus on acquiring the resources from parents to get their child to the big leagues, we ascertain that the most likely outcomes revolve around a better future for your child and greater job opportunities beyond and outside of baseball.

Less than 2% of all youth playing travel or other forms of youth baseball will ever be drafted to play at the MLB / MiLB Level.

The screenshot shows the homepage of the Marquis Grissom Baseball Association (MGBA) Virtual Tutorial. The header features the MGBA Inc. logo and the text "MARQUIS GRISSOM BASEBALL ASSOCIATION". Below the header, the main content area is titled "Training/Tutorial". It includes a central graphic with a star and the text "Current MGBA student athletes are eligible for tutorial assistance." surrounded by icons for Math, Science, English, Social Studies, and SAT Prep. To the right, a large black box with white text announces "MGBA Virtual Tutorial 6pm - 8pm Tue & Thu". Below this, it states "Fully Sponsored MGBA Program: No cost to you!" and "The Marquis Grissom Baseball Association cares about student athletes!". At the bottom, there is a "Contact Maranda Hastie" section with a phone number and email address, and a "MGBA Highlights" section. The footer contains a "Privacy Policy" link and a "Jugon engine" logo.
